★ A SCALIS PATULIS AD ASTRA ★

**U9 football tournament at Ashford School
Report by Algie Moore and Reuben Young-Gadd (JL)**

On the way to Ashford prep it got very hot and stuffy on the bus - it took an HOUR! Then we had some packed lunches that were good. We were all really hungry and felt so much better after lunch.

We got started straight away with a disappointing 2-0 defeat to a very strong team Kingsnorth, despite some amazing saves by Auben.

Then we had a break to recharge and played in our second match 1-1 against JKS. Reuben scored a great goal to equalise. Next match 0-0 again against JKS. In the penalties, we lost 2-0 but it was a great game and Henry got stuck in with the tackles.

Then we were in a knockout match 1-1 against Spring Grove with Sammy taking advantage of an excellent pass from Sam by scoring. That went through to penalties again. Sam, Sammy and I all scored our penalties and Florian with a phenomenal save that won the match.

Then we went to the semi finals which we lost to a well organised Sutton Valence team.

The whole squad had a great day with Reuben being our player of the tournament and thank you to Mr Longdon and Mrs Franklin for taking us.
