HADDON DENE
SCHOOL

Academic performance 2025

We are proud of our high academic expectations and achievements across the school. We excel at the Kent Test (11+) and are successful in assisting pupils preparing for senior school entrance and scholarships tests undertaken in Year 6.

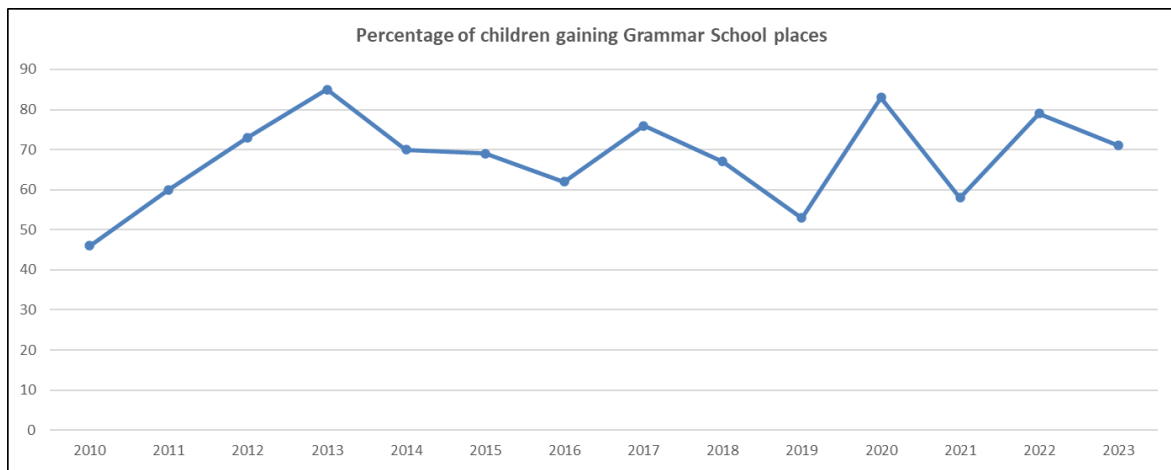

We aim to prepare our children so that they have the broadest possible options and choices regarding their future schooling. Your child's academic needs are a top priority. You must be clear about your child's academic abilities and your thoughts on their future schooling, so that you can be open and honest with us. We want to ensure that each pupil's school of choice is the right one, so that they can continue to achieve and thrive long after they leave Wellesley.

Our 2024/2025 Year 6 leavers cohort transitioned to a variety of schools, with over 65% attending the top grammar schools of their choice:
